

Appendix 2: Consent Form:

Name:

Date:

Location:

I give my consent pictures and/ or video and interviews to be collected and used by Heart to Heart International. I understand the following:

1. The material will be stored by Heart to Heart International and could be used on printed materials (including fundraising appeals, publications and advertisements) and online.
2. The material could be used by Heart to Heart International offices around the world in perpetuity.
3. The material could be used by Heart to Heart International's partners in fundraising, publications and advertisements.
4. The material could be used in the media, such as in newspapers and on television.

Heart to Heart International will abide by the ethical image policy and ensure that all material is used accurately and honestly. The material will not be used out of context. The material will only be used by organizations or individuals that are working with Heart to Heart International and supporting its mission.

Signed:
