

## **Multi-faith gathering for Heart to Heart International's Blessing of the Building**

**June 25, 2019 – Lenexa, Kansas** – Faith leaders from around the Kansas City area will participate in a multi-faith blessing of Heart to Heart International's (HHI) new building on Wednesday, June 26, 2019, at 12 p.m.

HHI moved into the new Lenexa facility in the spring and has already utilized the building to respond to international and domestic crises, from Mozambique to Linwood, Kansas. Working with faith communities during responses such as these helps expand the organization's reach and amplify its impact.

"Our commitment to improve access to health, regardless of race, nationality or religion, has guided our work from the very beginning. Working in partnership with various faith-based organizations, both here in Kansas City and around the world, we are able to bring healthcare to more people in need after disasters or crises," Kim Carroll, Heart to Heart International CEO, said.

The blessing will recognize the long history and relationships HHI encourages with all faith communities. Leaders from faith communities across the Kansas City Metro will be in attendance, offering blessings for the building and the continuing work to improve health for people wherever need exists.

Media is welcome at the event: 11550 Renner Blvd., Lenexa, KS 66219.
