- * Uninsured women may qualify for funding through Show Me Healthy Women. Please ask about this when you schedule your appointment.
- * Women 35-39 years of age are eligible for a screening baseline mammogram. They should check with their insurance provider prior to the screening for plan eligibility and coverage.
- * Women 40 years or older do not need an order.
- * Your most recent screening mammogram should be 12 months or more prior to the current mammogram for insurance coverage reasons. Please check with your insurance provider for coverage if you are earlier than 12 months.
- * If you have insurance, you will need your insurance card at the time of your appointment. You will also need the name of your primary care physician.
- * On the day of your mammogram, please refrain from wearing deodorant, lotion, or perfume from the waist up. Also wear a two-piece outfit so you don't have to fully disrobe.
